YOUR BUSINESS IN 4 STEPS

»»» STEP 1: REGISTRATION

To start the business process in HC Wellness it is important to register, HCW has different packages and products to keep you as an active member, the minimum consumption for this is a score of 50 QV, it is acquired with 1 product of the select branch (Hemp C, Connect, Support, Nad Shield) or 2 products of the premium branch (ActivePro, Complex, HC Fit).

»»» STEP 3: LEADERSHIP

As a next step, you will have to take the leadership role with the people in your network, you are a new person and you will have to set an example to others. Remember, "A leader is one who knows the way, makes the way and shows the way". - John C. Maxwell

It's your time to excel and lead your network to growth and total well-being. With our 8 ways to win you and your team can achieve the economic growth you desire.

STEP 2: PROSPECTS <<<

Once you have signed up, it is important to start building your network. To do this, you need to have a large list of prospects that can be part of it.

To get your prospects you should consider people who are committed, eager to grow economically and concerned about their health and wellbeing.

As a suggestion, you can start with an invitation to at least 20 people and then discard them until you find the right ones.

STEP 4: FOLLOW-UP <<<

The last step is always important to follow up with your enrollees and your entire network, you are their support line. As a good leader you should support your team, learn to listen and you will be able to support them by meeting their needs, it is important to attend continuous training to be able to learn from others and keep updating yourself, everyone has their own way of growing.
